

AI PROFIT SCRIPTS

SECTION 1: SALES

COPY PROMPTS

HOW TO USE THESE AI SCRIPTS

Simple. Fast. Effective.

This guide is designed to help you write better, faster — even if you have zero experience.

You don't need to be a copywriter. You just need to follow this simple process.

STEP 1: PICK A SCRIPT OR PROMPT

Choose any prompt or script based on your goal: hooks, sales copy, or DM replies.

STEP 2: COPY & PASTE INTO AI TOOL

Paste the prompt into ChatGPT or any AI tool, then replace placeholders like [product], [audience], [problem].

STEP 3: CLICK GENERATE

Let AI create captions, sales copy, and scripts instantly.

STEP 4: EDIT (OPTIONAL)

Adjust tone or wording slightly if needed.

STEP 5: USE & APPLY

Use the output for social media, messages, or sales pages.

PRO TIP

Combine multiple prompts for better results.

FINAL NOTE

You don't need to be creative. Just take action and use the scripts consistently.

PART 1: HOOKS

Prompt 1: Curiosity Hook

Give me 10 curiosity-based hooks for [niche/product] that make people want to stop scrolling and learn more.

Prompt 2: Pain Point Hook

Write 10 hooks targeting people struggling with [specific problem], making them feel understood and curious.

Prompt 3: Bold Statement Hook

Create 10 bold and slightly controversial hooks about [topic] that challenge common beliefs.

Prompt 4: You're Doing It Wrong Hook

Generate 10 hooks that suggest the audience is making a mistake in [area], and hint at a better way.

Prompt 5: Quick Result Hook

Write 10 hooks promising fast or simple results related to [problem/result].

PART 2: PRODUCT DESCRIPTION

Prompt 6: High-Converting Description

Write a high-converting product description for [product name] targeting [audience]. Focus on pain points, emotional triggers, and simple benefits.

Prompt 7: Benefit-Focused Copy

Write a product description focusing only on benefits and results instead of features for [product].

Prompt 8: Simple & Clear Version

Rewrite this product description in a simple, beginner-friendly way: [paste description]

Prompt 9: Story-Based Description

Write a product description using a short relatable story for [audience] struggling with [problem].

Prompt 10: Before-After Transformation

Write a product description showing before vs after transformation after using [product].

PART 3: CALL TO ACTION (CTA)

Prompt 11: Soft CTA

Write 10 soft call-to-action lines that encourage people to check the link without sounding pushy.

Prompt 12: Urgency CTA

Generate 10 urgent call-to-action lines that create a sense of scarcity or limited time.

Prompt 13: Curiosity CTA

Write 10 CTA lines that spark curiosity and make people want to click to learn more.

Prompt 14: Beginner-Friendly CTA

Create 10 CTA lines targeting beginners who are hesitant and need reassurance.

PART 4: OFFER ANGLES

Prompt 15: Irresistible Offer

Create an irresistible offer for [product] priced at [\$]. Include value stacking, simplicity, and strong reasons to buy now.

Prompt 16: Low-Ticket Angle

Position this product as a low-cost, high-value solution that feels like a no-brainer purchase.

Prompt 17: Problem-Solution Angle

Write a short sales copy showing how [product] solves [specific problem] quickly and simply.

Prompt 18: Save Time Angle

Create a sales angle focusing on saving time and effort using [product].

Prompt 19: Beginner Friendly Angle

Position this product as perfect for beginners with no experience.

Prompt 20: Fast Result Angle

Write a sales angle that highlights quick and immediate results using [product].

BONUS PROMPTS

Prompt 21: Rewrite Better Copy

Improve this sales copy to make it more persuasive, emotional, and high-converting: [paste copy]

Prompt 22: Add Emotion

Rewrite this copy with stronger emotional triggers and relatable tone: [paste copy]

SECTION 2: EMAIL
TEMPLATES

HOW TO USE THESE EMAIL TEMPLATES

Simple & Beginner Friendly

These email templates are designed to help you communicate, build trust, and sell—without overthinking what to write.

STEP 1: CHOOSE THE RIGHT EMAIL TYPE

Use Welcome emails to introduce yourself.

Use Soft Sell emails to gently promote.

Use Urgency emails to push action.

Use Follow Up emails to reconnect.

STEP 2: CUSTOMIZE THE TEMPLATE

Replace placeholders like [Name], [problem], [result], and [link] with your own details.

STEP 3: KEEP IT SIMPLE

Don't over-edit. These templates are designed to work as they are. Just adjust slightly if needed.

STEP 4: SEND CONSISTENTLY

Email regularly to stay on your audience's mind and build trust over time.

PRO TIP

Mix different types of emails instead of sending the same style repeatedly.

FINAL NOTE

You don't need perfect emails. You just need consistent action.

WELCOME EMAILS

Subject: Welcome! Here's something to get you started

Hey [Name],

Welcome! I'm glad you're here.

If you've been struggling with [problem], you're not alone.

I'll be sharing simple ways to help you get results without overwhelm.

Stay tuned.

Subject: Start here (simple and easy)

Hey [Name],

If you're just getting started, don't overthink it.

Start small, stay consistent, and you'll see progress.

I'll guide you step by step.

SOFT SELL EMAILS

Subject: A simple solution you can try today

Hey [Name],

I know how frustrating it is dealing with [problem].

That's why I found something simple that helps.

It's beginner-friendly and easy to start.

SECTION 3: DM
CLOSING SCRIPTS

HOW TO USE DM CLOSING SCRIPTS

Simple & Practical Guide

These DM scripts are designed to help you turn conversations into sales—without sounding pushy or awkward.

STEP 1: START WITH A NATURAL OPENING

Use the opening scripts to start a friendly conversation. Keep it casual and focused on understanding the person.

STEP 2: ASK & UNDERSTAND

Use qualifying questions to understand their problem, goals, and situation before offering anything.

STEP 3: SOFT PITCH YOUR SOLUTION

Once you understand their problem, introduce your product naturally as a helpful solution—not a hard sell.

STEP 4: CLOSE THE SALE

Send your link clearly and confidently. Keep it simple and avoid over-explaining.

STEP 5: HANDLE OBJECTIONS

If they hesitate, respond calmly and reassure them. Focus on simplicity and low risk.

STEP 6: FOLLOW UP

Most people don't buy immediately. Follow up politely to remind them and answer questions.

PRO TIP

Don't rush the sale. Build trust first, then guide them to the solution.

FINAL NOTE

You don't need to be a sales expert. Just be helpful, consistent, and genuine.

OPENING MESSAGES

Script 1

Hey! Thanks for reaching out ☺
What are you currently struggling with right now?

Script 2

Hey! Appreciate you messaging me.
Can I ask—what's your main goal right now?

QUALIFYING THE LEAD

Script 3

Got it—that makes sense.
How long have you been dealing with this?

Script 4

I see.
What have you tried so far?

SOFT PITCH

Script 5

Honestly, that's exactly what this helps with.
It's simple and beginner-friendly.

Script 6

Based on what you said, this could really help you.
It doesn't take much time to start.

CLOSING THE SALE

Script 7

If you're serious about fixing this, I'd recommend starting here:
🔗 [link]
You can start immediately.

Script 8

This is probably the easiest way to get started right now:
🔗 [link]

OBJECTION HANDLING

Script 9

No worries at all ☑

That's exactly why this is designed to be simple and affordable.

Script 10

Totally understand.

You don't need experience to start with this.

FOLLOW-UP MESSAGES

Script 11

Hey, just checking in ☑

Did you get a chance to look at it?

Script 12

Quick follow-up—let me know if you have any questions.

SECTION 4:

CONTENT

GENERATOR

PROMPTS

HOW TO USE CONTENT GENERATOR PROMPTS

Simple Content System

These prompts are designed to help you create content faster, attract attention, and grow your audience consistently.

STEP 1: GENERATE HOOKS

Use the TikTok hook prompts to create attention-grabbing openings. Your hook is the most important part of your content.

STEP 2: CREATE CAPTIONS

Use caption prompts to support your content. Keep it simple, relatable, and focused on your audience.

STEP 3: GET CONTENT IDEAS

Use the content idea prompts when you run out of ideas. This helps you stay consistent without overthinking.

STEP 4: STAY CONSISTENT

Post regularly using the generated content. Consistency is more important than perfection.

STEP 5: IMPROVE OVER TIME

Look at which content performs well, and create more of that style.

PRO TIP

Combine hooks, captions, and ideas together for stronger content.

FINAL NOTE

You don't need to be creative. You just need a system—and now you have one.
